STORMWATER MONTHLY BREAKFAST FORUM

These roundtable sessions will be held the first Tuesday of every month. Each session will comprise of a 90-minute in-class roundtable with an instructor-led forum to provide Qualified SWPPP Practitioners (QSPs), or their designated inspectors, the opportunity to discuss implementation issues, present unique site issues, creative solutions, ask questions and provide suggestions regarding implementation of the 2009-0009-DWQ California Construction General Permit.

Each QSP will have the opportunity to ask questions from a stormwater professional prior to the training and have that specific question addressed in the training. This QSP Forum will enable QSPs the opportunity to brainstorm solutions, ask questions, and learn about other effective implementation techniques at other construction sites.

Facilitated by: Jayne Janda-Timba and Kelly Doyle of Rick Engineering
