This course has a 2 week cancellation and registration policy

AGC BIM Education Program 3rd Edition

Building Information Modeling (BIM) is changing the way projects are constructed. Whether you are a prime contractor using BIM across an entire project, or a subcontractor impacted by a specific BIM implementation, this emerging practice requires new mind-sets and technological know-how in order to achieve significant improvements in efficiency and cost control. AGC's BIM Education Program — developed in conjunction with leading BIM practitioners, technology firms and educators — is designed to prepare construction professionals at all experience levels to successfully implement BIM on a construction project.

UNIT 1 - AN INTRODUCTION TO BUILDING INFORMATION MODELING (3RD EDITION) is a full-day course that provides a comprehensive overview of BIM practices and terminology while introducing important concepts necessary to understand how BIM is changing the construction process.

UNIT 2 - BIM TECHNOLOGY (3RD EDITION) is a full-day course designed to provide a neutral introduction to BIM tools. Throughout the course, tools are introduced as they relate to the functions they perform, as well as particular phases in a project where they have the strongest capabilities. By understanding these differences, it is possible for each attendee to determine what questions need to be asked prior to making an investment in technology.

UNIT 3 - BIM PROJECT EXECUTION PLANNING (3RD EDITION) is a full-day course that examines BIM and contract terminology to determine best practices for integrating BIM use into project execution planning. Core project execution planning activities are discussed and practiced to help participants become BIM champions within their organizations.

UNIT 4 - BIM ADOPTION, IMPLEMENTATION, AND ROI (3RD EDITION) is a full-day course that provides a foundation for participants to establish and execute the BIM process, facilitate its adoption, and achieve integration on a single project and at a company level to execute multiple BIM projects simultaneously. These tools will help establish participants as BIM champions within their organizations.

The highly interactive program provides 32 hours of instruction and training to get construction industry professionals at all levels ready to take advantage of the benefits of BIM. After participants complete all four courses in the program, they become eligible to sit for an exam to earn the Certificate of Management - Building Information Modeling (CM-BIM).

COMPLETE SERIES | UNITS 1 TO 4

DATE	TIME	MEMBER RATE	NON MEMBER	INSTRUCTOR
March 25 - 28, 2019	7:30 AM - 4:30 PM	\$1,349	\$1,649	DAN RUSSELL, CM-BIM
June 10 -13, 2019	7:30 AM - 4:30 PM	\$1,349	\$1,649	DAN RUSSELL, CM-BIM

INDIVIDUAL UNITS

DATE	TIME	MEMBER RATE	NON MEMBER	INSTRUCTOR
Unit 1 - An Introduction to Building Information Modeling (3rd Edition)				
March 25 & June 10	7:30 AM - 4:30 PM	\$375	\$475	DAN RUSSELL, CM-BIM
Unit 2 - BIM Technology (3rd Edition)				
March 26 & June 11	7:30 AM - 4:30 PM	\$375	\$475	DAN RUSSELL, CM-BIM
Unit 3 - BIM Project Execution Planning (3rd Edition)				
March 27 & June 12	7:30 AM - 4:30 PM	\$375	\$475	DAN RUSSELL, CM-BIM
Unit 4 - BIM Adoption, Implementation, and ROI (3rd Edition)				
March 28 & June 13	7:30 AM - 4:30 PM	\$375	\$475	DAN RUSSELL, CM-BIM

CM-BIM EXAM is held on **Friday, March 29 & June 14, 2019** from **8:00 am - 12:00 pm**. There is a separate application fee of \$575 that gets paid to EXAMSOFTE on approval of your application to sit for the exam. Contact Becca Schaffer bschaffer@agcsd.org | 858-731-8155 for more information or visit www.agc.org and apply.

The AGC Certificate of Management-Building Information Modeling (CM-BIM) is an assessment-based certificate credential that denotes knowledge and understanding of concepts related to BIM adoption, practice and process transformation outlined in the AGC BIM Education Program. Successful candidates will carry the CM-BIM designation.

Eligibility Requirements: CM-BIM candidates must successfully complete the four AGC BIM Education Program courses, provide AGC with record to completion and have approved application in advance of exam administration. The CM-BIM application is now available to candidates. Please fill out the application once you have completed the four mandatory courses, applications will not be processed if all units have not been completed by application date.

Exam Information: Please see the appropriate Candidate Guide for detailed information needed to prepare for the CM-BIM exam. For candidates who have taken the first edition of BIM EP Units 1-4, please see the Original CM-BIM Candidate Guide. For those who have taken revised BIM courses, including the second edition of Units 1 & 2, please see the Revised CM-BIM Candidate Guide for further details.

Fees: All fees total \$575 and will be collected at one time after the candidate application is reviewed and approved. This includes a \$150 application and technology fee and \$350 exam fee.

INSTRUCTOR: Dan N. Russell CM-BIM
Director Construction Technology at Sundt Construction
Dan Russell, Sundt's director of construction technology, is one of the first people in the country to be certified by the AGC in the use of BIM.

Registration: Registration must be completed online at www.AGCSD.org. All AGC Chapters receive the AGC San Diego Member Rate. **Registration and Confirmation will be determined 14 days prior to the course date,**
Cancellations and/or Changes Policy: Cancellation notification must be received in writing no later than **14 days** prior to the scheduled course date. Substitute registrants can be named at any time. A full refund - minus a 5% processing fee if paid by credit card - will be given if notification is received by AGC San Diego **14 days prior** to the course start date. If a cancellation is NOT received within the 14 day cancellation time frame, or if registrant(s) elects not to attend, attendee (Company) will forfeit the entire course fee. Those participants using using AGC Journeyman Trust funds must adhere to the cancellation policy. If a late cancellation or NO SHOW occurs the participating COMPANY and not the AGC Apprenticeship Trust is liable for the tuition.

Payment: Payment can be made online by credit card or PayPal. Master Card, Visa, Discover and American Express are accepted. Checks to be made payable to AGC San Diego. Invoice option is only available for AGC San Diego Chapter members. Full course payment must accompany each registration for all attendees at least seven days prior to the course start date. Contact Inna Alizade in Accounting for payment confirmations, refunds or receipts. inna@agcsd.org
