PROJECT FOREMEN AND SUPERINTENDENT BOOT CAMP
ONE-DAY INTENSIVE

Course Description: Project Foremen and Superintendents have some of the most difficult jobs in the construction industry. The more they know and understand about leadership, communication, planning, organization and cooperation, the more value they bring to the project team. This program teaches many of the most important concepts and skills required to launch field level Foremen, supervisors, and lead persons to new levels of effectiveness.

Key Components:

- Leading others
- Planning on Purpose
- Getting things done
- Working with others
- Costs and Productivity
- Communicating with others
- Scope and Change Orders

Upon completion participants will:

- know how to prioritize and face daily challenges
- have a better understanding of key processes
- have discovered the truth about respect and authority
- know how leaders engage in self motivation and the motivation of others
- have tools to help become more organized
- be validated in many well established practices while looking for ways to improve

Target Audience: Project Foremen, Field Level Superintendents, Lead men working through the ranks
First time supervisors
